

## SMSC Spring 2023 Newsletter

**Spring is here! That means it is time for our spring cleaning day.**  
**OUR ANNUAL CLEANUP DAY AND ALL-MEMBERS MEETING ARE ON MAY 6.**

Our annual cleanup/fixup day will be held a little earlier this year to avoid conflicts with the fishing opener.

**VISIT OUR WEBSITE**

### **WE NEED BOARD MEMBERS**

We find ourselves in a position of having fewer candidates for the SMSC board of directors than there are openings. If you would like to toss your hat in the ring, come to the annual meeting and let us know. The board can also appoint people to the board to fill vacancies. We are looking for a few people who would like to help out their club. We could really use someone that would be willing to fill the club treasurer role. We have professional bookkeepers so that role isn't as difficult as you might think.

### **SPRING CLEANUP**

is on Saturday, May 6th starting at 8:00.

### **ALL MEMBERS MEETING**

The all members meeting will start promptly at Noon-ish on May 6th.

Breaks will be as needed with coffee, water & light refreshments.

Work on: Clubhouse cleaning floors, tables, windows.

Storage & sheds emptied and reorganized.

Pistol range backers & hangers.

Rifle range backers, berm upkeep, lane cleaning, etc.

General grounds keeping, raking, trimming.

Basement & Indoor range cleaning.

Archery Range upkeep, brush trimming & chips spreading.

Property Line clearing & marking.

Down wood cleanup along creek.

Annual meeting will be at 12:00.

Light Lunch- Will be for those continuing the cleanup work into the afternoon.

Please bring any tools and cleaners that you think we may need.

Extra tools should be marked with your name. Personal power equipment such as line trimmers & brush cutters need to be used away from groups.

ATV/UTV/small trailers for archery range & property line work would be helpful. Buckthorn pullers, bowsaws, pole saws & chainsaws are personal safety responsibilities. To be used away from groups with a partner.

There will be a status report from our club VP Chuck Willihnganz, financial info from our treasurer Hilary Melville, and a bit of news about our club's technology updates from our secretary/IT dude Michael Swenson. The candidates running for the board will speak for a few minutes to cite their qualifications and reasons for wanting to serve and then elections will be held.

All members with at least 3 years of continuous membership are eligible to vote for board members.

We will also entertain questions and concerns of our membership.

## UPCOMING EVENTS

We have concealed carry classes, trap events and high power rifle events on our calendar. Click the link above to see what is coming up.

**SMSC LOGO GEAR**

SMSC branded logo gear is now available at the SMSC range office. We have hoodies, t-shirts and caps available for immediate purchase.
